**AN ACT**...; **relating to:** increasing funding for local youth apprenticeship grants, increasing positions for the Governor's Work-Based Learning Board, and making appropriations.

## *Analysis by the Legislative Reference Bureau*

Under current law, the Governor's Work-Based Learning Board (GWBLB), which is attached to the Department of Workforce Development (DWD), awards grants to local partnerships for the implementation and coordination of local youth apprenticeship programs under which employers are recruited to provide on-the-job training and supervision for students who are recruited to participate in those programs. Currently, \$1,100,000 in general purpose revenues (GPR) is appropriated in each of fiscal years 2003-04 and 2004-05 for those grants. This bill increases the amounts appropriated for those grants by \$147,000 GPR in fiscal year 2003-04 and by \$1,103,000 GPR in fiscal year 2004-05. The bill also increases the general program operations appropriation of DWD by \$83,400 GPR in fiscal year 2003-04 and by \$166,600 GPR in fiscal year 2004-05 for the purpose of increasing the authorized full-time equivalent positions of DWD by 3.0 positions for the performance of services for the GWBLB.

JoAnna:

Because we will be well into fiscal year 2003-04 by the time this draft is enacted into law, the draft appropriates one-third of the \$250,000 increase for positions for fiscal year 2003-04 and two-thirds of that \$250,000 increase for fiscal year 2004-05. Similarly, because the \$1,250,000 increase for local youth apprenticeship grants is not enough to fully restore the amounts appropriated for those grants under prior law, this draft appropriates \$147,000 of that increase for fiscal year 2003-04 and \$1,103,000 of that increase for fiscal year 2004-05, which will fully restore the amount appropriated for those grants under prior law in fiscal year 2004-05. If you would like any other break down of those appropriation increases between fiscal years, please advise.

The budget act also decreased the amounts appropriated for tribal work-based learning programs by \$300,000 in each fiscal year. Do you want to appropriate any moneys to restore the amounts appropriated for tribal work-based learning programs to their previous levels?

Finally, the governor was unable to completely restore by partial veto prior law relating to the Governor's Work-Based Learning Board (GWBLB). Completely restoring prior law would involve returning school-to-work programs for at-risk youth and tribal work-based learning programs from the Wisconsin Technical College System Board to the GWBLB and recreating a general program operations appropriation for the GWBLB. Do you want to go ahead and complete that restoration in this draft?
